“As a student, it is important, to have an aim in life and to acquire all possible knowledge towards a goal.”

– APJ Abdul Kalam

## ➤ ABOUT THE INSTITUTE

Puranmal Lahoti Government Polytechnic is situated in Latur in Maharashtra state of India. Established in 1958, PLGP is a Government college. The college is accredited by AICTE. Puranmal Lahoti Government Polytechnic offers 6 courses of Engineering. Besides a robust teaching pedagogy, Puranmal Lahoti Government Polytechnic is also a leader in research and innovation. Focus is given to activities beyond academics at Puranmal Lahoti Government Polytechnic, which is evident from its infrastructure, extracurricular activities and national & international collaborations. The placement at Puranmal Lahoti Government Polytechnic is varied, with recruitment options both incorporate and public sector as well as entrepreneurship.

## VISION

To produce competent, skilled technicians by imparting quality technical education in the core areas of Electronics engineering focusing the needs of industry and society.”

**M1:**To facilitate teaching and lifelong learning environment.

**M2:**To contribute in the ethical, social and economic development of society by imparting up-date technical education.

**M3:** To develop Institute–Industry interaction to produce competent professionals and promising entrepreneur.

## FROM THE DESK OF PRINCIPAL

Dear Students and Faculty members,

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

It is a platform of broadcasting the information and hidden talents of the students and staff. It encloses the organized activities and competitions won by the students and innovative projects carried out by them. I, take this opportunity to thank all the stakeholders for showing interest and continuous support. I extend my best wishes to all students in their chosen career path and I am sure the college will scale up to greater heights in the years to come and serve many more in the society.

Patron: V.D.Nitnavare

## MESSAGE FROM HOD'S DESK

Warm greetings!!

I am happy to release FEBRUARY – JUNE 2022 Half-Yearly NEWSLETTER of department. There are many updates to share with respect to the department activities, staff and student achievements, and placements details etc., happened during the last six months.

During this pandemic the department has successfully organized various expert lectures, industrial visit, Art gallery activity on “Advancement of women “ on occasion of woman’s day ,technical quiz competition, project exhibition etc.

I hope that the newsletter will encourage students to use it as a platform to convey their creativity

Dr.S.S.Kanade

**FINAL YEAR RESULT FOR S-21 100%**

Activities offer opportunities for students to learn the values of teamwork, individual and group responsibility, physical strength and endurance, competition, diversity, and a sense of culture and community. Extracurricular activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a

real-world context, and are thus considered part of a well-rounded education. Our focus here is on improving their academics, communication skills required to succeed. Students may actively seek additional feedback from peers and the instructor. Competitions also encourage students to adopt innovative techniques and develop their idea sand skills.

## • Industrial Visit

Industrial Visit at Railway Station, Latur was organized on 11 April 22. The Industrial visit was organized by Visit coordinators Mrs. R.H.Pawar and faculty coordinators Mrs. V.G.Rajeshwarkar,, Mrs. R.V.Mahagaonkar,Mrs. J.C.Hadoltikar, Mrs.V.S.Agrawal and Mr.S.V.Kendre for the second and third year students. Students

visited various sections in Railway station such as Power Supply panel, Relay Room and Alarm Panel room. They learnt about the signaling function that is used to monitor the train signal. This was done by using the train signal panel. Demonstration and working of relay was shown to the students. In the end power supply room was shown to them. Students asked questions from staff members and got the solutions to their problems. Cleanliness Program also conducted at Railway Station, Latur. All faculty members and students enthusiastically participated and cleaned Railway Station premises.

**“ Cleanliness and order are not matters of instinct; they are matters of education, and like most great things, you must cultivate a taste for them.”**
